### **SC PERFORMANCE GOAL**

#### 2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our theme for the 2009-2010 school year was "All For One and One For All" in which we promoted collaboration between academics, athletics, and humanities. As we finish the school year and reflect upon it, I realize what an awesome family we have at Carolina Forest High School. Our school year ended with 356 graduates who received scholarship offers in excess of \$7.5 million. Among the many talented students in the senior class, CFHS was privileged to have two national merit semi-finalists.

At the beginning of the 2009 school year, CFHS was recognized for outstanding performance on the SAT/ACT and was named Magna Cum Laude by the South Carolina Department of Education. Our Advanced Placement scores deemed us as having the highest passage rate in Horry County, with all subjects having at least a fifty-percent passage rate. There were one hundred seventy-nine Advanced Placement exams taken by 141 students during the 2009-2010 school year at CFHS. Ninety-one percent of these students received a score of three or higher. CFHS was also recognized as a Silver school for closing the achievement gap on HSAP. Preliminary results indicate that our overall End-of-Course performance on the SC EOC tests will exceed a seventy-five percent passage rate for all subject areas and our SAT score average will exceed the national average again this year. In addition to excellent test scores, our students were also successful in academic competitions. Our academic team finished second in the Horry County Schools competition and our school newspaper. The Prowler, received a superior rating from Southern Interscholastic Press Association (SIPA).

Our Fine Arts Department was the first high school in the United States to present the Broadway musical "Grey Gardens". In the national Festival Disney competition, our choral students won top honors as they received the "Golden Mickey" for their performance in both areas of classical and show choir performance.

The CFHS athletic teams captured six region VI-AAAA championships: boys and girls swimming, girls golf, volleyball, boys cross country, and girls track. Seventeen out of nineteen varsity sports teams made the state playoffs in post season play. Throughout the year, our faculty and staff volunteered to work athletic gates and drive buses, which saved our school in excess of \$10,000.

We would like to thank our students, parents, teachers, and community members for your continued support as we progress toward our goals. Without your assistance, our continued progress would not be possible.
